

The Ladies of the Knights of Columbus
601 Bristol Pike
Croydon, Pennsylvania 19021

Please come to the first meeting of the Ladies of the Knights of Columbus. It will be held on Monday, March 5th in the Church Hall at 7 pm.

The purpose of our group is to promote spiritual growth, sociability, and communication among members as well as to support the work of the Knights. We will, also, be engaging in civic and charitable work.

As this will be our first meeting, there is a lot to do. I am seeking volunteers for many committees as chairs and members including membership, social, publicity, community service, programs and a few others.

I would like you to consider joining as a full member. Dues for the first year are \$26.00 and this will include a lapel pin and membership card. Every year there after the dues are only \$20.00. You can sign up right at the meeting.

I am interested in hearing your ideas for the group as well as any social events that you would like to see. A picnic comes to mind for the nicer weather.

Let your friends and neighbors know about us too. The group is open to all Catholic women over the age of 18. They do not have to be connected to a Knight.

I hope to see you on the 5th. Bring your ideas and suggestions with you.
